General Information about the Invoice

1. How to pay your bill

Choice is good. We've got a whole bunch of ways to pay. Keep in mind that if you pay with online banking, telephone banking, or snail mail there will be a delay between the day you send your payment and the day we get it. We just want to make sure you don't get hit with any late payment charges... because they suck.

a) Pre-authorized debit

Set up automatic payments from your bank account and let us do all the work for you. Log in at virginplus.ca/preauthsignup to get hooked up.

b) Pre-authorized credit card

Prefer plastic? You can also set up automatic payments from a credit card. Log in at virginplus.ca/preauthsignup to get hooked up.

c) Credit card payments

Pay your bill now with a Visa, Mastercard, or American Express. One-time payments go through the same day. To pay by credit card, log in at virginplus.ca/paybill.

d) Bank payments

You can pay your bill online through your bank's website or using telephone banking. Just set up Virgin Plus as a payee and enter in the Client ID number found on your bill. If you get a paper bill, you can also pay through most financial institutions' bank machines.

e) Cheque

If you're signed up for a paper bill, you can also pay by mail:

- Make your cheque out to Virgin Plus.
- Write your Account Number on the back of the cheque.
- Include the payment stub from your bill.

Then you can mail your cheque and payment stub to:

VIRGIN PLUS

PO BOX 5030 STN MAIN BURLINGTON ON L7R 0B9

Payments can take up to 10 days to show up on your account.

2. Self serve options

There are tons of ways you can manage your account 24/7:

On your device: Download the My Account app to manage your account on the go.

By phone: Dial 611 on your Virgin Plus phone for free or give us a shout at 1-888-999-2321.

3. *Late payment charges

A late payment charge of 2.91% each month (41.09% per annum) will apply from this month's bill date if we have not received your payment before your next bill date. You can find your next bill date on the front of your bill in the top right hand corner. In case your bill doesn't go through (e.g. : like a bounced cheque) then we reserve the right to add a processing fee to your account. This is independent of any charges that might be added by your bank.

4. Billing inquiries

Got questions? We've got answers.

Give us a shout at 1-888-999-2321 or dial 611 from your Virgin Plus phone.

If you think we've made a mistake then we want to know about it. Just let us know within 90 days from your Bill Date and we'll check it out.
